Official Announcement

**To:** All foreign and domestic enterprises investing in mining, energy, agriculture and other concession projects in Lao PDR

**Subject:** 2<sup>nd</sup> Official Announcement on the official use annual investment report template for all concession projects in Lao PDR

- In accordance with article 63 of Investment Promotion Law, number 02/NA, dated 08/07/2009.

To obtain regular information on the performance of concessions operating in Lao PDR, the Investment Promotion Department (IPD) of Ministry of Planning and Investment has recently updated its annual progress reporting templates that investors must populate and submit to IPD and provincial Department of Investment Promotion (DPI).

The Cabinet office of MPI is requesting all foreign and domestic enterprise that have invested in projects to use the official templates to report progress from the beginning of the project to the end June 2016. Please ensure that you read each question carefully and answer all questions in full. One copy of the report must be sent to IPD at the Ministry of Planning and Investment, with copies of the same report sent to each provincial Department of Planning and Investment where your project is located. Please complete this task by 30 September 2016. The reporting templates are available both in Lao and English at IPD, DPI, and are also downloadable at <http://investlaos.gov.la> under "Resources". For more information, please contact the Investment Promotion Department, Ministry of Planning and Investment. Telephone: 021 217014; 020 22411147; 020-55404350; 020-99977711 and 020-54888483.

Failure to report using the official annual report template will be seen as a failure to meet your reporting obligation under the concession agreement. Action will be taken against non-compliance investors, as this official announcement has been recognized as a second announcement from MPI-IPD.
